

Since You've Been Gone (Baby, Baby, Sweet Baby)

Tower Of Power

Baby baby, sweet baby
There's something that i just got to say
Baby baby, sweet baby
You left me hurting in a real cold way
Speak your name
And i feel a thrill
You said i do
And i said i will
I tell you to just stay true
And give me just a little time
Wait on me baby I want you to be all mine
I just get so blue
Since you've been gone
Why'd you do it
Why'd you had to do it
Why'd you do it
Why'd you had to do it
