## Mindless Behavior

Dang we text each other a lotEh, my girl, my girl she loves me
She hit me all the time she be texting me
Eh, my girl, my girl she loves me
She hit me all the timeWhen I say hey then you say what's up?
And I'll be like baby do you miss me?
When you say yes then I say ditto
And you can hit me back with the left hand symbol number threeI got a clue how you feel for me
One four three a smiley with a wink
That's how you feel baby that's what's up
A hundred forty characters is more than enoughEh, my girl, my girl she loves me
I know I'm on her mind even when we don't speak
See my girl, my girl she loves me
She hit me all the time my phone be ringing off the hook like, yeah
