

Tell Me (Joe Goddard Remix) [with Joe Goddard]

Tuff City Kids

Come a little closer
Maybe I can whisper in
Now my lips are burning
Is this the only chance I get?
If I was to kiss you, tell me what would happen next
You know that I want you, what did you expect?
Have been dreaming, of dreams are the best I get
How do my feelings, tell me what would happen next
Caring these feelings
Feeling like a heavy load
Darling, please release me
I just need to let you know
If I was to kiss you, tell me what would happen next
You know that I want you, what did you expect?
Have been dreaming, of dreams are the best I get
How do my feelings, tell me what would happen next
If I was to kiss you, tell me what would happen next
You know that I want you, what did you expect?
Have been dreaming, of dreams are the best I get
How do my feelings, tell me what would happen next
I have never been a tough guy
I'm not the one to force my point
I have never been a brave man
But you don't me to disappoint
If I was to kiss you, tell me what would happen next
You know that I want you, what did you expect?
Have been dreaming, of dreams are the best I get
How do my feelings, tell me what would happen next
If I was to kiss you, tell me what would happen next
You know that I want you, what did you expect?
Have been dreaming, of dreams are the best I get
How do my feelings, tell me what would happen next
I feeling coming over me, my love
'Cause waves splashing over me, my love
I feeling coming over me, my love
'Cause waves splashing over me, my love
I feeling coming over me, my love
'Cause I feeling coming over me, my love
I feeling coming over me, my love

'Cause water splashing over me, my love
(I feeling coming over me, my love) if I was to kiss you, tell me what would happen next
You know that I want you, what did you expect?
Have been dreaming, of dreams are the best I get
How do my feelings, tell me what would happen next
I feeling coming over me, my love
'Cause waves splashing over me, my love
I feeling coming over me, my love
'Cause waves splashing over me, my love
