in harm's way

Face to Face

Where did you go?
So far away
It seems like everybody tried to tell you everything
And who are you?
Who are they?
Seems like everybody wants to give themselves awayThree days old
Anway
So you're tired and the inspiration's gone away
Where are you?
In harm's way
Seems like everything is brokenAnd it feels like I might break
On this ordinary day
Why do we need to change?
When we were perfect yesterday?Having trouble comprehending
I was sure that I was who I thought I was
And if you want the truth
Then I blame them
I blame you and I blame myself
