Get your hands in tha air when we bump that
Let's take it to tha head, girl, bump that
Shorty lookin' all good, girl, bump that

Rollin' on 24s when we bump that
Got tha wrist on froze, girl, bump that
Plenty air force ones, I can bump that
Stepped in tha club like, come on, know I can bump that

Every time I see him I loose my cool
"Fizz, can you take that shirt off dude?"
