I Know Who Holds Tomorrow

Larry Ford

Why don't we just do this?
Play that song that ma used to like
To hear me sing in church all the time
That's the one

I don't know
About tomorrow
I just live from day to day
And I don't borrow from its sunshine
For its skies may turn to gray
And I don't worry about my future
For I know what Jesus said
And today He walks beside me
For He knows what lies ahead
Many things about tomorrow
I don't seem to under-understand
But I, I know, I know, I know who holds tomorrow
And I know who holds, who holds my hand
Oh yeah, yeah, yes, hey, yes
Who holds my hand
