

# Baby Bye Bye

Gary Morris

There were fourteen reasons for sayin' goodbye  
Like the look on her face and the look in her eye  
And the way that she broke the man down  
Left the man in pieces here on sinkin' ground  
There were fourteen nights when she didn't come by  
Fourteen days when she left the man  
Wondering why he even bothered to try  
So baby bye bye[Chorus]  
On the outside  
Baby's such a pretty girl  
On the inside baby ain't so pretty  
Pretty soon she'll find a lonely little world  
And there'll be one less man that girl can bring down  
One less man with his eyes on the ground  
And his heart in his hands for the take  
No more promises for baby to break  
There'll be one less man with a tear in his eye  
One less man who'll be hangin' 'round  
Wondering why he even bothered to try  
So baby bye bye[Chorus]  
And there'll be one less man that the girl can count on  
One less man she'll find hangin' strong  
To the dream that she could never change now  
Comes to change and baby don't know how  
Baby's such a pretty girl[Chorus]
