There I Go Again

James Gang

Hey, ooh, what will I do?
Looks like it's the end
Ooh, hey, could you please stay?
There I go againYou know I hate to lose her
The good thing that I had
I would rather lose her
Than watch it all go badI guess I'm just going mad
Still something's to come
Guess things are pretty much sad
Back where I come fromHey, ooh, what will I do?
Looks like it's the end
Ooh, hey, could you please stay?
There I go againIt may be that I find my way
Not to seeing her again
Tomorrow is a brighter day
Why should I pretend?Lord, I won't see her again
We're going our separate ways
Thinking of it now and then
I don't have much to say, yeah, yeahHey, ooh, what did I do?
Looks like it's the end
Ooh, hey, could you please stay?
There I go againHey, ooh, what did I do?
Looks like it's the end
Ooh, hey, could you please stay?
There I go again
