Sudden Rush

Blood shot. Eyes red like Dred Locks. Me feel upon the high so come on Down and catch the vibe. Me want fe know that if you got the irie in your eyes cuz
There's a picture on the wall just like the Natural-Ites. Hot a burning up the spot When we be grippin' pon the mic. Me rock up on the crowd and give the people what
They like. Inhale, exhale. Oh what a clearer sight. Well it's the Redeye and I'm the
Pilot on this flight. so come aboard I got the green for you to pack upon your pipe.
We gots to do this people now we gots to do this right. So get up, stand up, stand
Up for your fight. Yo what you gonna do right now? We gonna burn all night. So
Throw your hands in the air if you feelin I and I. Cuz this is dedicated to the one Chocolate tie. Me pop fly. Yes to ease my mind up in the sky. You know I'm feeling Irie cuz me got the red eyes.

(chorus/Natural Vibrations)

Dynomite:
Well it's the slow burner, the resonated creeper. From the Pakalo pass To the time keeper. The one hitter quitter, the guaranteed sleeper. The kind that put
The slow vibe in your beeper. You know who this be it's stony the mc. The Irie Eyed Kanaka that make you crazy. Ooh. How you feeling with dem irie eyes? I hear
Voices in the morning time when the sunshine rise and the raindrops are falling. How you feeling with them irie eyes? Come down the Dynomite boom and I rock Come me say no officer come me say no, officer. I got the bottle bring me a cup.

Don 1:
Now when I'm thinking about the things that make me feel good, feel good.
Satisfy my soul and make it real good, real good. There's many things that put a
Smile on my face it's the love for my people my place and my race. Hele mai, hele
Mai, hele mai, hele mai now you're hypnotized to the rhythm of this irie I-I-I-I-I-I eyes.
For the young for the old for the rich and the poor. Irie eyes not even the visine can
Cure. Irie eyes on this Hawaiian Isle. Irie eyes when I see children smile. And if Bad things ever come my way it's the pretty pretty island girls that make me irie. Give 'em all just the pump pump pump pump when I step upon the floor when I wiggle

Dem irie eyes.
