

Attitude

The Misfits

Attitude

You got some fucking attitude
I cant believe what you said to me
you got some attitude

Inside your fetal brain
Theres probably a hole
If you dont shut your mouth
your gonna feel a blow

Attitude

The one you got, well baby Attitude
The one you got, well baby Attitude
Attitude

Inside your fetal brain
Theres probably a hole
If you dont shut your mouth
your gonna feel a blow

Attitude

You got some fucking attitude
(attitude!) I cant believe what you said to me
you got some attitude

Attitude

You got some fucking attitude
(attitude!) I cant believe what you said to me
you got some attitude
