Loving Arms

Elvis Presley

If you could see me now
The one who said that he'd rather roam
The one who said he'd rather be alone
If you could only see me nowIf I could hold you now
Just for a moment if I could really make you mine
Just for a while turn back the hands of time
If I could only hold you nowI've been too long in the wind, too long in the rain
Taking any comfort that I can
Looking back and longing for the freedom of my chains
And lying in your loving arms againIf you could hear me now
Singing somewhere in the lonely night
Dreaming of the arms that held me tight
If you could only hear me nowOh I've been too long in the wind, too long in the rain
Taking any comfort that I can
Looking back and longing for the freedom of my chains
And lying in your loving arms again
I can almost feel your loving arms again
