

# They're Playin Our Song

Billy Ray Cyrus

Somebody's at the front door, I can hear 'em knockin'  
Your mama's on the phone and she feels like talkin'  
There's chicken in the barbecue, barbecuein'  
Don't worry bout it baby, just drop what you're doing 'Cause they're playin' our song on the radio  
Okay mister D.J. and away to go  
A million watts of love power comin' on strong  
Dance with me darlin', they're playin' our song Oh, the house needs cleanin', the grass needs mowin'  
We both got places that we need to be goin'  
Tomorrow's a big day, better get ready  
But tonight it's just you and me, rockin' steady 'Cause they're playin' our song on the radio  
Okay Mister D.J. and away to go  
A million watts of love power comin' on strong  
Dance with me darlin', they're playin' our song
