Blue Wall

Magic Wands

On the blue wall, in the center of it all
In another world, they call me the blue girl
At the edge of it all, I feel the blue wall
See the people try to get ahead
The kind of evil that'll never understand
Then you rise and watch you fall
Never gonna see the blue wallBlue wall, blue wallOn the blue wall, night dreams of dreaming color
The days were haste for your love
They call me the blue girl
At the edge of it all, I feel the blue wall
(Blue wall, blue wall)
There's no light in their eyes
They call me the blue girl
See the people, taking all they can
That girl from [?] that I'll never forget
Then you rise and watch you fall
Never gonna see the blue wall
Never gonna see the blue wallOooh, ooh, oh, oh, oh
Oooh, ooh, oh, oh, oh
On the track, blue wall
Never were, blue wallI cross my heart and hope to die
I'll never want you to steal my life
I won't feel blue blue cause I am true
If you wanna hate, then that's on youWhat i've never felt, I feel so bad
I love you so much, is the best you had
I don't have time to love you
I don't have time to love you
Dunk into the blue wall
Dunk into the blue wall
I don't have time to fight you
I don't have time to fight youDunk into the blue wall
Dunk into the blue wall
I don't have time to love you
I don't have time to love youDunk into the blue wall
