

Sweet Sixteen

Chuck Berry

Sweet sixteen

Sweet sixteen

Sweet sixteen

Sweet sixteen

Ah, you're the sweetest little thing

That I've ever seen But you would not, you would not do

Everything that I ask you to

Guess you ran away from your home, darling

Now, you wanna run away from me too Well, my brother, they sent him to Korea

And my sister settled down in New Orleans

Guess my mother is up in heaven

And now I wonder what's gonna happen to me Sweet sixteen

Sweet sixteen

Sweet sixteen

Sweet sixteen

Yes, you're the sweetest little thing

That I've ever seen
