

Crazy

Seal

In a church, by the face
He talks about the people goin' under
Only child know
A man decides after seventy years
That what he goes there for is to unlock the door
While those around him criticize and sleep
And through a fractal on a breaking wall
I see you my friend and touch your face again
Miracles will happen as we trip
But we're never gonna survive unless we get a little crazy
No, we're never gonna survive unless we are a little crazy
Yellow people walkin' through my head
One of them's got a gun, to shoot the other one
And yet together they were friends at school
(I don't get it, I don't get it, I don't get it, I don't get it . . . no, no)
If I were there when we first took the pill
Then maybe, then maybe, then maybe, then maybe
Miracles will happen as we speak
But we're never gonna survive unless we get a little crazy
No, we're never gonna survive unless we are a little crazy
No no, never survive, unless we get a little bit
Amanda decides to go along after seventeen years
Oh darlin', in a
sky full of people, only some want to fly, isn't that crazy?
In a world full of people, only some want to fly, isn't that crazy, crazy?
In a Heaven of people there's only some want to fly, ain't that crazy?
Oh babe, in a world full of people
(Oh darlin')
There's only some want to fly, isn't that crazy?
(Isn't that crazy?, isn't that crazy?, isn't that crazy?)
Ohh, but we're never gonna survive unless we get a little
crazy, crazy
No, we're never gonna to survive unless we are a little crazy
But we're never gonna survive unless we get a little crazy
No, we're never gonna to survive unless we are a little
crazy
No, no, never survive unless, we get a little bit
And then you see things the size
Of which you've never known before
They'll break it someday
Only child will know
And then you see things the size
Of which you've never known before
Someday, someday, someday
