Kathy Lee Some are lovin' you, yeah

You know little time means a lot now

Yeah you're on the news, boy

I've never thought somehow Cause you know that I love it

I've got time, I'm alive

Cause you know that I love it

I've not time, I'm alive

Some's lovin' you boy

(Somehow)

Whatcha gonna do?

(Somehow)

Cause you love to love

(Somehow)

Beggin' what I want, boy

Cause you know that I love it

Not the time at all

Cause you know that I love it

Not the time at all

(...)

Cause you know that I love it

Not the time, I'm too alive

Cause you know that I love it

Not the time, too alive
