## Puscifer

Thank You for making me  
feel like I'm guilty  
Making it easy to murder your sweet memory You were way out of line,  
went and turned it all around on me again  
How can I not smell your lie  
Through the smoke and arrogance. But now I know  
So you will not get away with it again  
I'm distant in those hollow eyes  
For I have reached my end. So... Thank You for making me  
feel like I'm guilty  
Making it easy to murder your sweet memory Before I go tell me  
Were you ever who you claimed yourself to be Either way i must say goodbye.  
You're dead to me. So I... Thank You for making me  
feel like I'm guilty  
Making it easy to murder your sweet memory I'm severing the heart then I'm leaving your corpse behind  
Not dead but soon to be, though.  
I won't be the one who killed you  
I'll just leave that up to you I'm not gonna be here to revive you  
I'm not gonna be here to revive you  
I'm not gonna be here to revive you  
I'm gonna be the one to say... I told you so (X8)  
I told you Severing the heart then I'm leaving you corpse behind  
Not dead but soon to be and  
I'm gonna be the one to say I told you so
