

Me and Jesus Will Be Waiting

Darius Ferris

There's a place I'm gonna go
Where's there's no sea billows roll
It's a mansion prepared for me
That I long one day to see
There I'll meet my blessed Savior
He'll welcome me to my new home
So won't you come
Come along and follow me?
Follow me and I'll meet you there
Keep your eyes on the Son, He's soon returning
When we meet, we will walk on the streets of gold
Me and Jesus will be waiting at the pearly gates
So follow me and I'll meet you there
Keep your eyes on the Son, He's soon returning
When we meet, we will walk on the streets of gold
Me and Jesus will be waiting at the pearly gates
Me and Jesus will be waiting at the pearly gates
At the pearly gates
