I Love The Unknown

Clem Snide

She asked him,
"why can we not be together
Why is it we have to part
Why did you leave with a stranger
When I am revealing my heart?"
Because I love the unknown
I love the unknown
He says he loves the unknown
Because I love the unknown
I love the unknown
He says he loves the unknown
They asked him,
"hey, where's this bus going?"
And he said, "well, I'm really not sure."
"well then, how will you know where to get off?"
And he said, "the place with the most allure."
Because I love the unknown
I love the unknown
He says he loves the unknown
'cause I love the unknown
'cause I love the unknown
He said he loves the unknown
And then his father got him a job
And it paid well
But every day it felt the same
Well, his father was really heartbroken
When he quit and changed his last name
The doctor asked him what he was afraid of
Just what was he running from?
He said, "it's not a fear of success, nor of closeness
But of going through life feeling numb."
That's why I love the unknown
I love the unknown
He said he loves the unknown
Because I love the unknown
I love the unknown
He says he loves the unknown
Because I love the unknown
I love the unknown

He says he loves the unknown
