

Down On My Knees

Blutengel

Down by the water and up in the sky
I'm searching for you and I wait for a signI feel your presence but still I can't see
 Beyond the depth of the night
 You're waiting for me
I feel your presence but still I can't see
 Beyond the depth of the night
You're waiting for meI'm down on my knees and I'm crying for you
 Please come and save me from the dark
 You're the moon and the stars
 You're the light in the night
Please come and protect me from my dreamsI feel so restless I'm losing control
 Inside my heart there's a deep and black holeI feel cold hands grabbing for me
My time is running out, do you still love me?I'm down on my knees and I'm crying for you
 Please come and save me from the dark
 You're the moon and the stars
 You're the light in the night
Please come and protect me from my dreams
