

# This is where the party's at

## SinSeven

Yeah, this is where the party's at  
This is where the party's at  
Come on  
This is where the party's at  
Monday morning  
To Friday afternoon  
Stressing you out  
But tonight  
The weekend comes around  
And it's time to break out  
Everyone needs some time  
Time to get away  
Baby come free your mind  
Free your mind and free your soul  
This is your night to shine  
If you wanna babe  
Baby it's ok  
It's ok to lose control now  
[Chorus:] If you wanna groove now  
This is where the party's at  
Gotta make your move now  
This is where the party's at  
Everybody's gettin' in the zone  
This is where the party's at  
Everybody come on  
This is where the party's at  
Tonight we'll make you  
Forget your problems  
Forget all your fears  
Whatever you wish  
Your secret fantasies  
We'll take you there  
Oh yeah

Throw all your hands up high  
So that I can see  
Dance how you just don't care  
Raise your hands let's raise the roof  
Whatever you want to try

It's all good with me  
No no  
It's all good with me  
There ain't nothing you can't do now  
[Chorus] Everything that you've been missing in your life  
You can find inside your soul  
And that's all that really matters tonight  
So party party all night long  
Come on now  
Pump it up  
To the left  
Pump it up  
Now to the right  
Pump it up  
Everybody  
Pump it up  
Come on  
Pump it up  
Pump it up  
Pump it up  
Let me see you  
Pump it up  
Here we go  
Pump it up  
[Chorus x3] This is where the party's at
