Daydream

Calvin Love

How can you talk about yourself like that?
It's unknown to me
The ways in which think
Am I getting through to you?Hold me closer
Don't ever let me go
I know you're only gone for now
But just stay here a little longerRemember the ways you would look at me?
Couldn't seem to catch my breathI think I'm lost in a fool's magic daydream
With you
Hold me closer
Don't ever let me go
I know you're only gone for now
But just stay here a little longer
