

# Control Me

## Cafeaudio

I'll be your entertainment tonight  
I show you what ever it is you like  
Just sit back and enjoy the show  
And kick your feet up boy here we go  
I need all of your attention  
You can admire \*my\* dimension  
\*Been working\* on my definition for you  
Tonight there is only one thing for you to do(2x)  
Remote control me  
Push the buttons to turn me on please  
Pick me up, put me on the wall please  
Just plug in the wire

Make my volume higher higher\*Be my\* remote control\*Don't adjust the station it is just right\*

\*Name all your favorites I'll be that tonight\*

\*Espn ain't nothing compared to this\*

\*Think you've seen action nothing is like this\*

Now I've got all of your attention

You can touch on all my dimension

\*Been working\* on my definition for you

Tonight I'm a the only thing for you to do(2x)

Remote control me

Push the buttons to turn me on please

Pick me up, put me on the wall please

Just plug in the wire

Make my volume higher higherBe my remote controlOhhh feels like a fur

The pictures are clear

You wanna put it on pause

Remote control me

Nothing like a late night

Flick to keep you \*enticed\*

You wanna see it again

Remote control me(2x)

Remote control me

Push the buttons to turn me on please

Pick me up, put me on the wall please

Just plug in the wire

Make my volume higher higherBe my remote control
