My Christmas List

Simple Plan

Santa is coming tonight
And I want a car, and I want a life
And I want a first class trip to Hawaii
I want a lifetime supply

Of skittles and slurpees and Eskimo pies

I want a DVD

A big screen TV

Just bring me things that I don't need'Cause now it's Christmas

And I want everything

I just can't wait

Christmas

So don't stop spending

I want a million gifts, that's right

Don't forget my Christmas list tonight

'Cause now it's ChristmasSomebody take me away

Or give me a time machine

To take me straight to midnight

I'll be alright

I want a girl in my bed

Who knows what to do

A PlayStation 2

I want a shopping spree

In New York City

Just bring me things that I don't need'Cause now it's Christmas

And I want everything

I just can't wait

Christmas

So don't stop spending

I want a million gifts, that's right

Don't forget my Christmas list tonight

'Cause now it's ChristmasI wish I could take this day

And make it last forever

And no matter what I get tonight

I want moreIt's Christmas and I want everything

I just can't wait

It's Christmas and I want everything now

Christmas

And I want everything

I just can't wait

Christmas
So don't stop spending, I
Want a million gifts
That's right
And I can't wait 'til midnight
Don't forget my Christmas list tonight
'Cause now it's Christmas
