The Hollywood's Martins

Like a weasel in the clover
You tilt, toss, pop, turn over
 Sit down
Tremble, weave like a moth
 By flame deceived
 Sit down
Like a weasel in the clover
You tilt, toss, pop, turn over
 Sit down
Tremble, weave like a moth
 By flame deceived
 Sit down
Spill with the words caught
 Dance in your room
Slide like you're buttered up
 Roll back the tomb
 Sit down, sit down, sit down
When the thunder clouds sound
Ants all scatter to high ground
 Sit down
Bolt scuff jilt chase circle riddle
 Shake in haste
 Sit down
Bolt scuff jilt chase circle riddle
 And shake in haste
 Sit down, sit down
When the thunder clouds sound
Ants all scatter to high ground
 Sit down
 Like a weasel in the clover
 You tilt, toss, pop, turn over
 Sit down
Tremble, weave like a moth
 By flame deceived
 Sit down
Spill with the words caught
 Dance in your room
Slide like you're buttered up
 Roll back the tomb

Sit down, sit down, sit down
When the thunder clouds sound
Ants scatter, scatter to high ground
Bolt scuff jilt chase circle riddle
Shake in haste
Sit down, sit down, sit down
Like a weasel, like a weasel
Sit down, sit down
