Star Wars

Gaia Epicus

[words & music by Thomas C. Hansen]A long time ago, in a galaxy far away
The evil empire was building a force, destroying all in its way
Lord Vader, he's the man in black
Helmet of steel helps him to breathe, and with Jedi force he attackThe death star is near
But the rebels have no fear
The dark side of the force
They'll never joinStar Wars, the rebel fleet is on the way
Star Wars, they have come to save the day, Star warsA new hope is here, and he's gonna save us all
He is so young but his force is so strong, Luke Skywalker is his name
Our freedom, he's gonna bring back
He has come to lead us into the light, it's time to stand up and fightHe flies among the stars
With the speed of light he goes
The dark side of the force
He'll never joinYoda my master
Teach me how to fight
The evil Lord Vader
Is dying here to nightStar Wars
We fight for freedom
We fight for glory
We fight for all
