On My Grind

Omarion

Oh (Shorty, Imma grind, I can grind, now com'on)(4x)
Verse 1:
She worth every hour that I put in
If I had to do it over, I'd do it again
She's the girl that every captain wants to save
And I can't let her get away
Bridge:
Imma hustle harder
Hard enough to keep her
Player don't even bother
I'll never leave her
Chorus:
I'm on my grind (grind, grind, grind)
All day, all night
I'm on my grind (grind, grind, grind)
Like I ain't made a dime
I'm on my grind (grind, grind, grind)
Like a 9 to 5 with no pay
I'll do it all, whatever it takes
On the real, I'm about mine
I'm on my grind
Verse 2:
Like a feen for her, I can't wait
I'm like an alcoholic, I need a taste
I'm on the block just so I can keep you fly
They say I'm trickin but I don't mind
Bridge:
Imma hustle harder

Hard enough to keep her
Player don't even bother
I'll never leave her
Chorus:
I'm on my grind (grind, grind, grind)
All day, all night
I'm on my grind (grind, grind, grind)
Like I ain't made a dime
I'm on my grind (grind, grind, grind)
Like a 9 to 5 with no pay

I'll do it all, whatever it takes
On the real, I'm about mine
I'm on my grind
Oh (Shorty, Imma grind, I can grind, now com'on)(4x)
Bridge:
Imma hustle harder
Hard enough to keep her
Player don't even bother
I'll never leave her
Chorus:
I'm on my grind (grind, grind, grind)
All day, all night
I'm on my grind (grind, grind, grind)
Like I ain't made a dime
I'm on my grind (grind, grind, grind)
Like a 9 to 5 with no pay
I'll do it all, whatever it takes
On the real, I'm about mine
I'm on my grind
