

# The Shelter Of Your Arms

Neil Diamond

In this cold world  
No matter where I go  
The crowds are all the same And then I'm just  
a pebble in the sand  
A face without a name Nobody gives a hang  
For what I say or do  
But you  
And in the shelter of your arms  
I find peace and comfort and care  
For I am wanted there In this cold world  
You struggle to survive  
And sometimes you can fall You'd think someone  
Would lend a helping hand  
They'd sooner see you crawl But just when life itself  
Seems more than I can bear  
You're there  
And in the shelter of your arms  
I find strength and safety and then  
I rise and start again Just give me one good reason  
To go on living  
To keep on trying  
For what, I ask you for what  
If not for you  
And all your love  
To see me through But just when life itself  
Seems more than I can bear  
You're there  
And in the shelter of your arms  
I find strength and safety and then  
I rise and start again
