

No Worries

McFly

[Danny:]

We ran past strawberry fields and smelt the summertime
When it gets dark I'll hold your body close to mine
And then we'll find some wood and hell we'll build a fire
And then we'll find some rope and make a swinging tyre[Tom:]

Captivated by the way you look tonight
The light is dancing in your eyes, your sweet eyes[Danny:]

It's times like these we'll never forget

Stayin out to watch the sunset

I'm glad I shared this with you

Cause you set me free

Show me how good my life could be

How could this happen to me? Yeahhhohhh[Tom:]

And then I'll swing you girl until you fall asleep

But when you wake up you'll be lyin next to me (ba ba ooo)

We'll go to Hollywood, make you a movie star (movie star)

I want the world to know how beautiful you are[Danny:]

Captivated by the way you look tonight

The light is dancing in your eyes, your sweet eyes yeah[Tom:]

It's times like these we'll never forget

Stayin out to watch the sunset

I'm glad I shared this with you

Cause you set me free

Show me how good my life could be

How did you happen to me? Yeahhhohhh[Danny:]

There are no secrets to be told

Nothing we don't already know

(bum bum bum)[Tom:]

We got no fears of growin old

We got no worries in the world[All:]
