Babylon

Stratovarius

A new day is rising in ancient Babylon
Revealing mysteries to see
And the endless caravan
Never ending it's journey
With the wings of the wind I will flyI can hear you calling me
I am blind but I see
Babylon
Your memory haunts me forever
Won't leave me be
Babylon
Your glory's stronger than ever
For all to seeCenturies have passed by
But your memory still lives on
In the minds of those who see
Under the summer moon
There comes a sight
That stays with me foreverI can hear you calling me
I am blind but I see
Babylon your memory haunts me forever
Won't leave me be
Babylon
Your glory's stronger that ever
For all to see
