# Happy Hour

## Felix Da Housecat

Leave my life I'd seen the crowds,
Try to deal with city crowds,
Work all day, Go out night,
Next....International flight.

All the cities look all the same,
Electro picture in a frame,
Discotheques is in hotels,
Room service regain my bells.

Living in the underground,
I'm dancing facing all around,
I feel something I wanna be,
Lesson One....Look at me!

All the cities look all the same,
Electro picture in a frame,
Discotheques is in hotels,
Room service regain my bells.

I said, Happy Hour, Sun Shower, 808's....Gives you power!
Happy Hour, Sun Shower, 808's....Gives you power!
Happy Hour, Sun Shower, 808's....Gives you power!
Happy Hour, Sun Shower, 808's....Gives you power!

I said, Happy Hour...

I said, Happy Hour, Sun Shower, 808's....Gives you power!
Happy Hour, Sun Shower, 808's....Gives you power!
Happy Hour, Sun Shower, 808's....Gives you power!
Happy Hour, Sun Shower, 808's....Gives you power!

Leave my life I'd seen the crowds,
Try to deal with city crowds,
