Faint Goat

13ghosts

Everyday you get on the bus and go to school,
It's a treacherous affair but what you gonna do?
Mother dressed you the only way she knows,
The other kids are howling wolves in sheep clothes.

Teacher thinks you should be in a special room,
Away from the derelicts of society
You're so fragile and anyone can see
You've excelled in ballet an poetry

Your sense of touch is slowing
Your sense of sight is going
You cannot hear...

Hey faint goat, where's you nanny now?
Has the dizziness made you feel so unsure
Hey faint goat, where's you nanny now?
Were you left here to the fate of the world?

Wooo... Oooo...
