You Can Depend On Me

Restless Heart

Just as long as that old river flows
The sun comes up and that north wind blows
Just as sure as these are guaranteed
Honey, you can depend on meThis day and time, lovers come and go
When it seems, theres no one left to hold
For so many, when the morning comes around
But girl, you can bet, this ol boy cant be foundJust as long as that old river flows
The sun comes up and that north wind blows
Just as sure as these are guaranteed
Honey, you can depend on meTogether, never to part
Forever, you can bet your heartJust as long as that old river flows
The sun comes up and that north wind blows
Just as sure as these are guaranteed
Honey, you can depend on meOh, together, never to part
Forever, you can bet your heartJust as long as that old river flows
The sun comes up and that north wind blows
Just as sure as these are guaranteed
Honey, you can depend on meTogether and forever in sweet harmony
You can depend on me
