

# You Can Depend On Me

## Restless Heart

Just as long as that old river flows  
The sun comes up and that north wind blows  
Just as sure as these are guaranteed  
Honey, you can depend on me This day and time, lovers come and go  
When it seems, theres no one left to hold  
For so many, when the morning comes around  
But girl, you can bet, this ol boy cant be found Just as long as that old river flows  
The sun comes up and that north wind blows  
Just as sure as these are guaranteed  
Honey, you can depend on me Together, never to part  
Forever, you can bet your heart Just as long as that old river flows  
The sun comes up and that north wind blows  
Just as sure as these are guaranteed  
Honey, you can depend on me Oh, together, never to part  
Forever, you can bet your heart Just as long as that old river flows  
The sun comes up and that north wind blows  
Just as sure as these are guaranteed  
Honey, you can depend on me Together and forever in sweet harmony  
You can depend on me
