

He Wants It All

Forever JONES

There's a voice that cries out in the silence
Searching for heart that will love him
Longing for child that will give him their all
Give it all, he wants it all And there's a God that walks over the earth
He's searching for heart that is desperate
And longing for child that will give him their all
Give it all, he wants it all And he says, love me, love me with your whole heart
He wants it all today
Serve me, serve me with your life now
He wants it all today Bow down, let go of your idols
He wants it all today, he wants it all today
He wants it all today
He wants it all There's a God that walks over the earth
He's searching for heart that is desperate
Longing for child that will give him their all
Give it all, he wants it all And he says, love me, love me with your whole heart
He wants it all today
Serve me, serve me with your life now
He wants it all today Bow down, let go of your idols
He wants it all today, he wants it all today
He wants it all today
He wants it Oh, oh, oh, all of you, more of you
Wants it all today oh, oh, oh
(whole thing whole thing)
Today, today He wants it all today, he wants is all today
So give it all There's a voice that cries out in the silence
Searching for heart that will love him
Longing for child that will give him their all
Give it all He wants it all
