

Ange

porcelaine

Ima subete wo kuruwase midara ni
Nani mo ka mo sute sari ochite yuke doko made mo
Sen no koe mai kurue koyoi azayaka ni

Taiyou wa sari yuki yamiyo ni
Shikkoku no bi to tomo ni irodoreyo doko made mo
Sen no toge tsukisashita sora ni kiete yuku

Tenshi no hane wa iroase hajimete no kotoba wo
Mezame wa huri sosogu
Sou hane no kioku no ne

Zetsubou wa kie use koukotsu ni
Shikkoku no bi to tomo ni irodore yo doko made mo
Sen no koe narihibiku sora ni kiete yuku

Tenshi no hane wa iroase hajimete no kotoba wo
Mezame wa huri sosogu
Sou hane no kioku no

Tenshi no hane wa ima kageru toki no kanata e
Tenshi no hane wa ima hajimete no kotoba wo
Mezame wa huri sosogu
Sou hane no kioku no ne
