

# I Hate Donald Trump

Emilio Rojas

[Intro: Donald Trump]  
It has not been easy for me  
And you know, I started off in Brooklyn  
My father gave me a small loan of a million dollars[Verse]  
Yeah, Donald's daddy was a Klansmen  
He was spreadin' hate back then  
Got arrested in '27 for hate speech against black men  
Now his son is on the same shit  
I guess that he raisin' him wrong  
I guess that the apple does not fall that far from the tree  
That they hang the minorities on...
