Own Me

Shudder To Think

GirlYou don't own me
You don't own me
You and only
You do notYou don't own me
You don't own me
You and only
You do notGot you by who knows what
Dumb patrol car blues
Red eyes with no sense
How to make you smileI'm barely born
Too old for drugs but too young to know
How to not get too high
My head's a bomb, the life of a soldierYou don't own me
You don't own me
You and only
All mustCould you drive the whole world, dear, over?
I feel blind tonight
Tell me what'd you do with the body, girl?Got you by who knows what
Dumb patrol car blues
Red eyes with no sense
How to make you smileI'm barely born
Too old for drugs but too young to know
How to not get too high
My head's a bomb, the life of a soldier
