You'd better get it if you want it
If you want it come and get it
If your really wanna get it,
Come on, come on and get it
Come on, come on and get it
Come along, come along and make it
Come along, come along and take itYou'd better get it, get it
You want it, you want it
You'd better get it, get it
You want it, you want itI got groove, just feel the groove
I got groove, just feel the grooveMe say yes ah, ah yes ah, me come here one day
Me say yes ah, ah yes ah, me come here one day
Me say watch out, ah watch out, ah one day ah two day
Me say me come and get it, me say me is one the way
