

Don't You Know That

Fruit Bats

Let's take it easy
on ourselves
Things aren't getting
any simpler
And the world will still turn
without usThe sun will still shine
Don't you know that?
Don't you know that?
Let's take it easy
on our boyHis skin's not getting
any thicker
And he'll be fine
off the fall
When it's time
He'll slide byUncharred
Don't you know that?
Don't you know that?
(solo)
Then take it easyon yourself
You're not getting
any younger
And the moon
will still pullThe tides without you
The stars will still shine
Don't you know that?
Don't you know that?
Don't you know that?
