From the Inside

Spoken

If I could tell you what this heart is feeling
This would be a whole lot easier
Could you tell me what my heart is feeling?
Would you make this easier?My life is in your hands, my life is yoursTake this man and cleanse me from the inside
For a moment, could I see your face?
Teach me how to love you the way that you love me
I will wait for youMy life is in your hands, my life is yoursAnd I surrender, I surrender all that I am
All my pride and anger
All of me, this heart is yours
To you I surrender, I surrender all that I amTake my life, use it for your gloryTo you, to you, I surrender all that I am
All my pride and anger
All of me, this heart is yours
