

# T-Shirt

## Destiny's Child

Hey baby  
I wish you could see what I have on right now  
You so sexy  
Imagine how intense it would be  
To hold me right now  
Our song's playing At night, when you're far and I'm alone  
I feel the fabric from your t-shirt  
Close to my body  
I can still hear your baritone  
In my ear telling me you'll take it slow  
And I was in the mirror playing a roll  
Like you work it, I couldn't turn me on  
So I fell asleep with the music on  
Woke up again hearing the same old song, playing (Oh) give it to me deeper  
(Oh) giving me the fever  
(Oh) now you got my feet up  
This one is a keeper  
Now the second verse is playing  
(Oh) we tried to stand up  
(Oh) hold me why while my hands up  
(Oh) and the music picks up  
Fantasies were shook up  
I'm thinking to myself again When you're not here (I sleep in your t shirt)  
I wish you were here (to take off your t shirt)  
After we make love (I sleep in your t shirt)  
Wake up in your t shirt  
Still smell the scent of your cologne  
When I need your feel (I sleep in your t shirt)  
I need your help (to take off your t shirt)  
After we make love (I sleep in your t shirt)  
Wake up in your t shirt  
Still smell the scent of your cologne Outside I hear the rain on my windowpane  
Hold up a minute, thought I heard your name  
My mind, playing tricks on me again  
I hear knocks at the door, is that baby home  
Why couldn't it be reality  
Looked at the clock it says 4:03  
At nine he'll be arriving on a plane  
Then we'll be making love and hearing the song again (Oh) give it to me deeper

(Oh) giving me the fever  
(Oh) now you got my feet up  
This one is a keeper  
Now the second verse is playing  
(Oh) we tried to stand up  
(Oh) hold me why while my hands up  
(Oh) and the music picks up  
Fantasies were shook up  
I'm thinking to myself again When you're not here (I sleep in your t shirt)  
I wish you were here (to take off your t shirt)  
After we make love (I sleep in your t shirt)  
Wake up in your t shirt  
Still smell the scent of your cologne  
When I need your feel (I sleep in your t shirt)  
I need your help (to take off your t shirt)  
After we make love (I sleep in your t shirt)  
Wake up in your t shirt  
Still smell the scent of your cologne Oh boy I've been waiting  
Now my body's shaking  
You're so deep, baby please, take it easy  
I look at your face and  
Got my heart racing  
You're so deep, baby please, take it easy Keep it right there  
Oh, wait wait, yeah  
Keep it right there  
You driving me crazy When you're not here (I sleep in your t shirt)  
I wish you were here (to take off your t shirt)  
After we make love (I sleep in your t shirt)  
Wake up in your t shirt  
Still smell the scent of your cologne  
When I need your feel (I sleep in your t shirt)  
I need your help (to take off your t shirt)  
After we make love (I sleep in your t shirt)  
Wake up in your t shirt  
Still smell the scent of your cologne
