I Got This

Tate Stevens

Got grease on my hands, my name on my shirt
Twelve-hour-days, ainâ€™t afraid to work
Who-oh-oh-oh-oh I got this
Got dirt on my boots, mud on my truck
Long chain in the back if you get stuck, I got this

Whoa, ainâ€™t no law gonna get to heavy
Ainâ€™t no boat down this old Chevy
I canâ€™t twist
I can run the plane on the DA Dozer
With the same hand I can pull you closer
Girl if all your needs were one slow kiss, I got this

Iâ€™ll punch a clock when a week is gone
If you wanna have a little one on one
Who-oh-oh-oh-oh I got this
If you wanna go out on the edge of town
Watch the sun go up or down, I got this

Whoa, ainâ€™t no law gonna get to heavy
Ainâ€™t no boat down this old Chevy I canâ€™t twist
I can run the plane on the DA Dozer
With the same hand I can pull you closer
Girl if all your needs were one slow kiss
I got this, yeah baby I got this

Hey Iâ€™m a country boy, donâ€™t mean to brag
Iâ€™m all about God, a true stand-up lad
If you got something to say about that
Who-oh-oh-oh-oh I got this

Whoa, ainâ€™t no law gonna get to heavy
Ainâ€™t no boat down this old Chevy I canâ€™t twist
I can run the á¹—lane on the DA Dozer
With the same hand I can pull you closer
Girl if all your needs were one slow kiss
I got this, oh baby I got this

Oh, let me handle it
