Don't Call Me Baby

Madison Avenue

Don't call me baby, don't call me baby You and me, we have an opportunity

And we can make it something really cool

But you, you think I'm not that kind of girl

I'm here to tell you baby, I know how to rock your worldDon't think that I'm not strong, I'm the one to take you

on

Don't underestimate me boy, I'll make you sorry you were born

You don't know me the way you really should

You sure misunderstoodDon't call me baby, you got some nerve and baby that'll never do

You know I don't belong to you

It's time you knew I'm not your baby

I belong to me, don't call me babyBehind my smile is my IQ

I must admit, this does not sit, with the likes of you

You're really sweet, you're really nice

But didn't mama ever tell you not to play with fire?Don't think that I'm not strong, I'm the one to take you on

Don't underestimate me boy, I'll make you sorry you were born

You don't know me the way you really should

You sure misunderstoodDon't call me baby

You got some nerve and baby that'll never do

You know I don't belong to you

It's time you knew I'm not your baby

I belong to me, so don't call me baby You got some nerve and baby that'll never do

You know I don't belong to you

It's time you knew I'm not your baby

I belong to me, so don't call me babyDon't call me baby, don't call me baby, don't call me baby

Don't call me baby, don't call me baby
