

# All I Want

[Joni Mitchell](#)

I am on a lonely road and  
I am traveling,Â traveling, traveling, traveling  
Looking for something, what can it be  
Oh I hate you some, I hate you some,Â I love you some  
Oh I love you when I forget about me  
I wanna be strong I wanna laugh along  
I wanna belong to the living  
Alive, alive, I want to get up and jive  
I want to wreck my stockings in some jukebox dive  
Do you want, do you want, do you wanna dance with me baby  
Do you wanna take a chance on  
Maybe finding some sweet romance with me baby,Â well come on All I really really want is our love to do  
Is to bring out the best in me and in you too  
All I really really want our love to do  
Is to bring out the best in me and in you  
I wanna talk to you, I wanna shampoo you  
I wanna renew you again and again  
Applause, applause, life is our cause  
When I think of your kissesÂ my mind see-saws  
Do you see, do you see, do you seeÂ how you hurt me baby  
So I hurt you too  
Then we both get so blue I am on a lonely road and I am traveling  
Looking for the key to set me free  
Oh the jealousy  
The greed is the unravelingÂ it's the unraveling  
And it undoes all the joy that could be  
I wanna fun, I wanna shine like the sun  
I wanna be the one that you want to see  
I wanna knit you a sweater  
Wanna write you a love letter  
I wanna make you feel better,Â I wanna  
Make you feel free  
Hm hm hm, hm  
Wanna make you feel all free  
All I wanna make you feel free
