

Caaalifornia

French Horn Rebellion

I don't see ya
I don't see ya
No, I don't see ya anymore
But I can feel ya
I can feel ya
And that's the real good boy
She was through ya
And it was too much
It can feel it done, done
It can feel it done, done
It wasn't Caaalifornia
It wasn't Caaalifornia
It wasn't Caaalifornia
She said I'm coming for ya!
Oooh ooh oh oh
Oooh ooh oh oh
Oh oh oh
I don't see ya
I don't see ya
I don't need you anymore
But I can feel ya
I can feel ya
And that's the real good boy
She was through you
And it was too much
It wasn't Caaalifornia
It wasn't Caaalifornia
It wasn't Caaalifornia
She said I'm coming for ya!
Oooh ooh oh oh
Oooh ooh oh oh
Oh oh oh
It can feel it done, done!
It wasn't Caaalifornia
It wasn't Caaalifornia
It wasn't Caaalifornia
She said I'm coming for ya!
It wasn't Caaalifornia
It wasn't Caaalifornia

It wasn't Caaalifornia
She said I'm coming for ya!
Oooh ooh oh oh
Oooh ooh oh oh
Oh oh oh
