

Smile (featuring 50 Cent)

Lloyd Banks

Yeah, this something special ya know, something epic
Lloyd Banks, you know
Cause a nigga thugging don't mean he don't
Don't wanna see you smile baby I wanna be the reason you smile
I wanna be the reason you smile
I wanna be the reason you smile
After you wipe away your tears and dry your eyes I'm getting the feeling you wanna take revenge
From the conversations we have and the way it ends
You wanna discuss me in front of your lady friends
That's why it's just me and my Mercedes Benz
It all depends, maybe if we make amends
We can start from scratch
Learn to control your temper and remarks in fact
We plan to be platonic with our hearts in tact
So every time we separate, somebody's marching back
You're amazing in the sack
Eyes slanted like you're Asian, but you're black
God Bless whoever gave you alla that
If you seen her from the back
You'd understand why dis feel like that
And ain't a flaw to her toes, the Lord knows
Her pussy good enough to miss award shows
And I ain't gotta say nothing, she just knows
By the way I look at her to take off all her clothes
Up and down [Chorus]
Whenever I'm not around, and you feeling down
Let the thought of me be (I be the reason you smile)
I don't wanna see you frown, like them kids watch a clown
I wanna bring you joy and be (I be the reason you smile)
Baby, you know my style, you know how I get down
I provide by any means to be (I be the reason you smile)
We done been through ups and downs, had drama for a while
I'm just happy I'm around to be (I be the reason you smile) The main reason I been looking at you pitiful
What about the half of this shit I done did to you
Violated and tip toed into a crib or two
I've come clean to be a bigger individual
Even though you're busy boo, the evening's when I visit you
Kinda makes me feel lucky, cause I see niggas
when you tease 'em with your physical

She wanna rack up her brooms, I ain't got no more room left
Wild drama, section 8 princess
My foreign chick bad, but she been stressed
Cause it's hard to communicate
Cause she don't speak-a no English
I been around the world from state to state
But now I'm back busting in your bathroom
Got you laughing in your shower cap, let's get it on
Cause I'm leaving in a hour, fly-through, don't matter she's mad
Even when I holla back
All I really need your attention for a while
And, I bet you I can make you smile[Chorus: x2]
