Dancing in the Corner (Drrty Data Remix)

Monarchy

[VERSE 1]
We're on the black list
We're not welcome anymore
Cause we have the wrong point of view
We stumbled on an old tabooThey cannot touch us
Let them change who we are
So we're making up our own rules
Gonna turn our back on all the fools[PRE-Chorus]
Not gonna give in, not gonna give in to the law
Just keep on moving on, just keep on moving on
Follow the bright stars, follow the bright stars out of tears
Just keep on moving on, on our own[Chorus]
They don't wanna see us free
Fuckin we don't need them, fuckin we don't need them
Turn our back against the world
We'll be dancing in the corner, dancing in the cornerDance with me
Dance with me
Dance with me
Dance with me[VERSE 2]
They can't see
One with dulled out eyes
They don't understand who we are
Do anything to avoid the scarsWe found the back way
Into their masquerade ball
Meet me in another place
You and me back stage[PRE-Chorus]
Not gonna give in, not gonna give in to the law
Just keep on moving on, just keep on moving on
Follow the bright stars, follow the bright stars out of tears
Just keep on moving on, on our own[Chorus]
They don't wanna see us free
Fuckin we don't need them, fuckin we don't need them
Turn our back against the world
We'll be dancing in the corner, dancing in the cornerDance with me
Dance with me
Dance with me
Dance with me[BRIDGE]
Gonna set my soul on fire
We can't really hold back desire

Gonna set my soul on fire
We can't really hold back desire[Chorus]
They don't wanna see us free
Fuckin we don't need them, fuckin we don't need them
Turn our back against the world
We'll be dancing in the corner, dancing in the cornerDance with me
Dance with me
Dance with me
