

Wicked game

HIM

Originally performed by Chris Isaak The world was on fire, no-one could save me but you

It's strange what desire will make foolish people do

I'd never dreamed that I'd need somebody like you

And I'd never dreamed that I'd need somebody like you No I don't wanna fall in love

this world is always gonna brake your heart

No I don't wanna fall in love

this world is always gonna brake your heart

...with you What a wicked game to play

To make me feel this way

What a wicked thing to do

To let me dream of you

What a wicked thing to say

You never felt this way

What a wicked thing you do

To make me dream of you No I don't wanna fall in love

this world is always gonna brake your heart

No I don't wanna fall in love

this world is always gonna brake your heart

...with you The world was on fire, no-one could save me but you

It's strange what desire will make foolish people do

No and I never dreamed that I'd love somebody like you

I'll never dream that I lose somebody like you, no Now I wanna fall in love

This world is always gonna brake your heart

Now I wanna fall in lust

This world is always gonna brake your heart

...with you Nobody loves no-one
