

# Something You Got (LP Version)

Chris Kenner

Something you got, baby  
Makes me work all day  
Something you got, baby  
Makes me bring home my pay  
Something you got, baby  
You ought to know  
My my, whoa whoa  
I love you soSomething you got, baby  
Makes the world go 'round  
Something you got, baby  
Keep me home every night  
Something you got, baby  
You ought to know  
You ought to know  
Whoa, whoa, my, my  
Whoa I love you soSomething you got  
Makes me work all day  
Something you got  
Makes me bring home my pay  
Something you got  
You ought to know  
My my, whoa whoa  
I love you so
